- |       |                                                        |       |                                                   |       |                                        |
|-------|--------------------------------------------------------|-------|---------------------------------------------------|-------|----------------------------------------|
| 29.4% | Have supportive school staff                           | 11.3% | Have strong after school programs                 | 4.6%  | Provide training in conflict mediation |
| 24.2% | Have police officers at school                         | 8.5%  | Offer support services for the highest risk youth | 17.3% | Other                                  |
| 4.8%  | Offer street Intervention and outreach in after school |       |                                                   |       |                                        |

**12 What do you think about School Resource Officers (the police at school)? (Choose all that apply.)**

- |       |                                                  |       |                                                       |       |                             |
|-------|--------------------------------------------------|-------|-------------------------------------------------------|-------|-----------------------------|
| 36.5% | They make the school safer.                      | 8.6%  | I can easily talk to them about school safety issues. | 16.2% | They make me uncomfortable. |
| 7.4%  | They are disruptive to the school's environment. | 48.5% | I don't know what they do.                            |       |                             |

**13 Do you think suspensions/expulsions are given out fairly at your school?**

- |      |        |       |               |       |        |
|------|--------|-------|---------------|-------|--------|
| 8.2% | Always | 19.6% | Often         | 18.5% | Rarely |
| 7.2% | Never  | 46.5% | I don't know. |       |        |

**14 When you miss school, what is usually the reason (besides being sick)?**

- |       |                                                  |       |                                                  |      |                                                        |
|-------|--------------------------------------------------|-------|--------------------------------------------------|------|--------------------------------------------------------|
| 22.6% | The bus is late or doesn't come.                 | 11.2% | My parent/guardian is late getting me to school. | 3.4% | I have too many responsibilities at home.              |
| 2.2%  | I feel pressured by friends to not go to school. | 1.8%  | I don't feel safe at school.                     | 4.6% | I want to hang out with friends who are not at school. |
| 8.0%  | I am avoiding a test or due date.                | 46.3% | Other                                            |      |                                                        |

College and Career

**15 What topics do you want to learn more about in terms of college and career planning? (Choose all that apply.)**

- |       |                                                          |       |                                                            |       |                                                     |
|-------|----------------------------------------------------------|-------|------------------------------------------------------------|-------|-----------------------------------------------------|
| 65.1% | How I can get into a UC, State, or other 4-year college. | 15.3% | How to get into a 2-yr (community) college (ie, City Col.) | 46.4% | How to pay for college.                             |
| 15.6% | How to pay for job training after high school.           | 30.3% | Programs that help me get training for jobs after HS.      | 48.5% | Internships that relate my school work to a career. |

**16 Has anyone at school talked with you about your plans after high school (going to college or other plans)?**

- |       |            |       |               |       |                |
|-------|------------|-------|---------------|-------|----------------|
| 30.7% | Yes, a lot | 56.6% | Yes, a little | 12.6% | No, not at all |
|-------|------------|-------|---------------|-------|----------------|

**17 Who has been most influential in helping you plan for college and/or a career?**

- |       |                                                   |       |                                                            |       |                             |
|-------|---------------------------------------------------|-------|------------------------------------------------------------|-------|-----------------------------|
| 6.4%  | A classmate at school                             | 12.7% | A friend or relative who is in college or attended college | 10.6% | A school counselor          |
| 9.6%  | Nobody has helped me plan for college or a career | 12.1% | A teacher                                                  | 8.1%  | A resource center at school |
| 23.7% | A parent or guardian                              | 1.7%  | A community-based organization                             | 2.7%  | An internet resource        |
| 12.5% | Other                                             |       |                                                            |       |                             |
